The Fleet White, Jr. Theory

- **Who is Fleet White, Jr.?** Fleet and Priscilla White were very close family friends of the Ramseys in part because they had 2 children similar in age to Burke and JBR. [Picture](#) of Fleet White, Jr. See [profile](#) at acandyrose.com.
- **Why Do Some Suspect Fleet White?**
- **Motive.** The predominant theory is that FW may have been motivated by jealousy towards John Ramsey, but others think FW may have been a pedophile.
- **Means.** Because FW was a close family friend who knew [JonBenet](#) well, most theories believe he was able to rely on this to get [JonBenet](#) out of bed and into the basement without her being alarmed.
- **Opportunity.** The Whites lived only 1.2 miles (4 minutes) from the Ramseys (see [Google map](#) posted by Internet poster **Why_Nut**) and had both a key as well as invited access to the house both on the night of the December 23 party and on the morning of December 26, many FW theories make use of these in explaining how FW was able to plan the crime, and possibly covered up evidence or deliberately contaminated the crime scene. No other close friend of the Ramseys had quite the same degree of opportunity.

Nancy Krebs Story

- Nancy Krebs reported that as a child, she had been the victim of sexual abuse by distant relatives Fleet White, Jr. and his father (see [family tree](#)), but also by John Ramsey. She further reported being prostituted for pornography.
- **Krebs Transcripts.** Transcripts of her February 22, 2000 interview are here: [Part One](#); [Part Two](#); [Part Three](#); [Part Four](#); [Part Five](#); [Part Six](#)]. These are in pdf format. A version in html is [here](#)
- Transcripts of her May 10, 2000 interview are here: [Part One](#); [Part Two](#)
- **Krebs Interview with Mary Suma.** An interview conducted by **Mary Suma** (Internet poster **Mame**) with Nancy Krebs on March 10, 2000 is [here](#).
- **Was Story Fabricated?** Internet poster **The Punisher** has done extensive research on **Lee Hill** and **Ward Churchill** and [concluded](#) that the Nancy Krebs story was a fabrication to discredit the FBI.
- **Did Krebs Implicate John Ramsey?**
 1. Although Krebs named John Ramsey as one of those who sexually assaulted her, this does not square with what is known about John Ramsey's place of residence during the period these alleged assaults took place.
 2. Police took this story seriously enough to interview Nancy, but her story now generally has been widely discredited at least as it relates to John Ramsey's involvement.
 3. However, Internet poster **Logan** has found the following record on-line and has [stated](#) (post 2771): "I believe Uncle Johnny Ramsey was the child molestor registered on the California Sex Offender Registry: He was in California during the time Nancy Krebs mentioned."

Other Potentially Incriminating Evidence

- **Familiar with Ramsey Wine Cellar Room.** Internet poster **Jameson** says that John and Patsy Ramsey told her that FW had gone to get wine in the wine cellar room during the party on December 23, so he was familiar with that room. This is also implied in Patsy Ramsey's 1998 [interview](#) with law enforcement.
- **Had Opportunity to Move Body.** FW was in the house in the early morning of December 26 and was with John Ramsey when he found JBR's body, giving him the opportunity to possibly have moved or framed the body.
- **Became Estranged from Ramseys.** He became estranged from the Ramseys shortly after JBR's funeral.
- **Strange Post-Death Behavior.** In the opinion of some, his behavior following JBR's death has been "strange." Internet poster [Aussiesheila](#) has catalogued FW's strange behavior in the week following the killing.

- **DNA Inconclusive.** Internet poster [Mama](#), claims to have sources who told her JW was NOT excluded based on DNA; instead the effort to match his DNA was "inconclusive."

Exculpatory Evidence Favoring Fleet White, Jr.

They are considered key witnesses. The Boulder Police Department appreciates the full cooperation they have received from the Whites since the beginning of their investigation. I feel this response is necessary due to the inaccurate portrayal of Mr. and Mrs. White in certain media publications."

- **Rebuttal of Keith Andrews Theory.** Internet poster [Jayelles](#) has posted a point-by-point [rebuttal](#) of a Fleet White did it theory promulgated by self-proclaimed detective **Keith Andrews**
